

CASA Campus on Coalition Manager

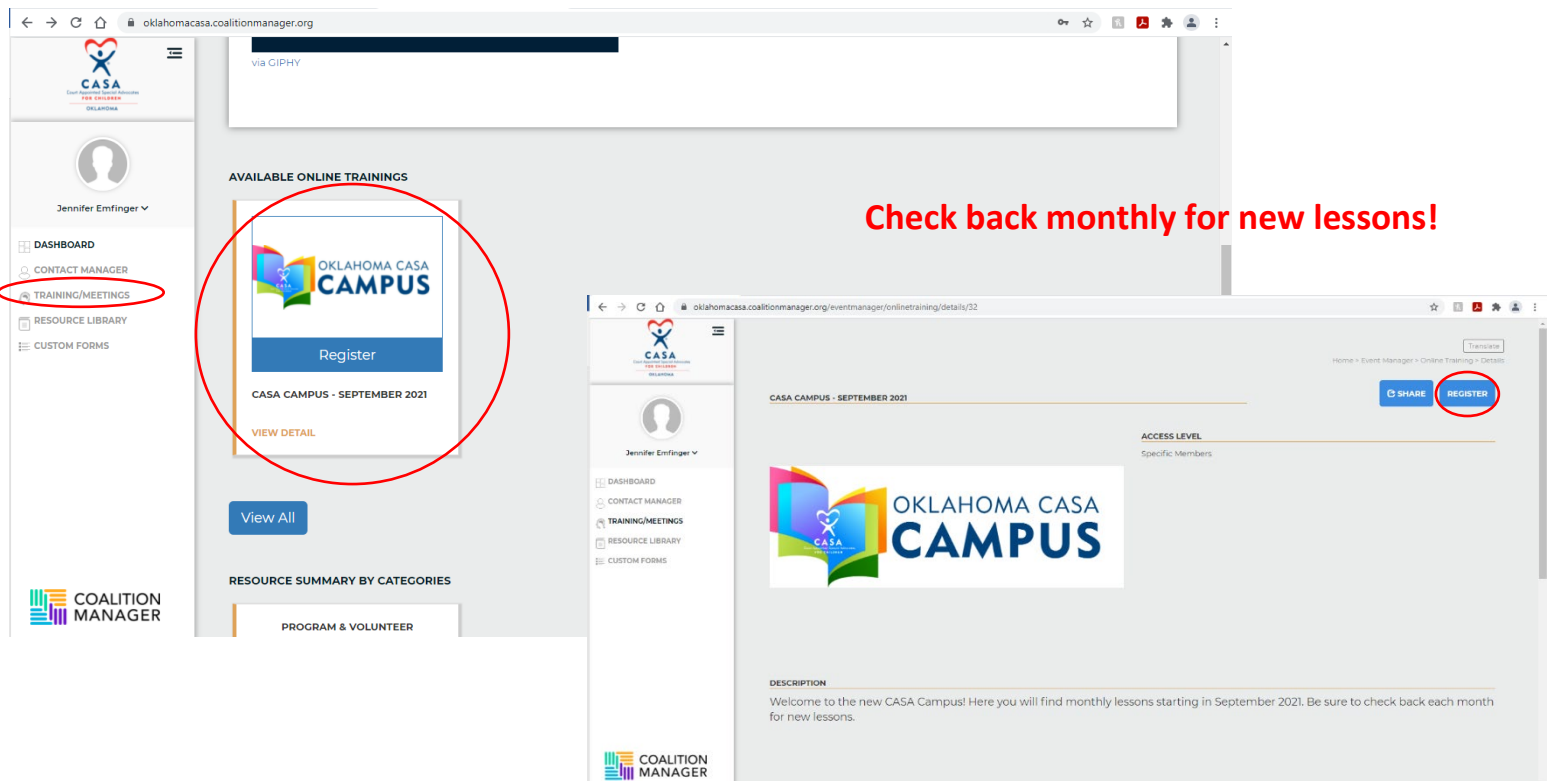

CASA Campus has switched to a new home. Coalition Manager is a new software used by the State CASA Office and one of the many features it offers is a training platform. As of September 1, 2021, all future CASA Campus lessons will be available via this platform. To stay up to date with trainings and your certificates of completion (from Sept. 1 and forward), you will create an account on Coalition Manger.

To create an account:

- Visit oklahomacasa.coalitionmanager.org
- Click on **Join Us**
- Fill out the Form
 - Choose CASA Volunteers as Contact Type
 - You don't need to fill out Employer or Occupation if you prefer not to
- You will receive an email from info@oklahomacasa.org with instructions for setting your password (if you have any issues, contact State CASA at 800-742-2272)

Accessing trainings:

- When you log in, you will see a Welcome box
- To access available trainings, you can click Training/Meetings on the left toolbar or scroll down for available trainings
- You must register for each month's training in order to access it and receive credit
- Resources for volunteers will also periodically be posted in Coalition Manager

The screenshot shows the Coalition Manager website interface. On the left is a navigation menu with options: DASHBOARD, CONTACT MANAGER, TRAINING/MEETINGS (circled in red), RESOURCE LIBRARY, and CUSTOM FORMS. The main content area displays 'AVAILABLE ONLINE TRAININGS' with a card for 'OKLAHOMA CASA CAMPUS' featuring a 'Register' button (circled in red). Below this is a 'VIEW DETAIL' link and a 'View All' button. A red text overlay reads 'Check back monthly for new lessons!'. The bottom right shows a detailed view of the 'CASA CAMPUS - SEPTEMBER 2021' training, with a 'REGISTER' button circled in red. The 'DESCRIPTION' section states: 'Welcome to the new CASA Campus! Here you will find monthly lessons starting in September 2021. Be sure to check back each month for new lessons.'
